Welcome to National Heritage Week in Cavan, August 18th – 26th. Heritage Week provides the opportunity to play a part in conserving, preserving and most importantly enjoying our county's heritage, and this year Heritage Week is a highlight of Ireland's celebration of the European Year of Cultural Heritage. This initiative by the European Commission and coordinated in Ireland by the Heritage Council aims to involve all citizens in events that help to promote a sense of belonging to a common European space. Cavan County Council Heritage Office is proud to support and promote Heritage Week in County Cavan. Again, this year we have many events organised by local communities in association with the Heritage Office, embracing all aspects of heritage. Why not join us in celebrating Heritage Week and browse through our events guide to see a full listing and perhaps find something a little bit different!
