CAVAN'S Historic Graveyard NETWORK

A link to our past...

Graveyards are a link between present and past generations.

Established in 2017, Cavan's Historic Graveyard Network aims to promote our wonderful historic graveyards and connect groups working to protect and maintain them.

Historic graveyards are located on hilltops, in fields, in towns and in the most scenic parts in the county. Some are unnoticed, others are cherished, but all of them are of great historical and cultural value.

For more information please visit www.cavanheritage.ie.
